

A vibrant, colorful illustration for a community event. At the top, a blue and orange airplane flies in a light blue sky with white clouds. The main title 'Community FUN DAY' is written in a mix of blue cursive and green block letters. Below it, a dark blue banner contains the date and time. The central scene shows a yellow castle with red roofs and a green banner, with two children playing on a purple mat in front. To the left, a jester juggling is shown. To the right, a yellow duck is on a string. In the foreground, there are large, colorful cupcakes and balloons. A small robot stands on the right. The background is decorated with stars and a dotted line.

Community
